A sensitivity review has now been undertaken on this file by the data controller, the Scottish Courts and Tribunals Service. They have decided that a redacted version of the file can be opened for public inspection.

Some information has been redacted as an exemption under section 38(1)(b) (personal information) of FOISA applies to that information. It is personal information of potentially living third parties and disclosing it would contravene the General Data Protection Regulation and Data Protection Act 2018. This exemption is not subject to the 'public interest test' so we are not required to consider if the public interest in disclosing the information outweighs the public interest in applying the exemption.
