Table 2.2: Characteristics of the 156 data zones with a population of 1,500 or more

Location		Deprivation		Urban/Rural	
Council	No. of datazones	Quintile[1]	No. of datazones	Classification[2]	No. of datazones
Glasgow City	23	1 (most deprived)	13	Large urban	68
Edinburgh, City of	19	2	21	Other urban	38
North Lanarkshire	17	3	46	Accessible small towns	8
Aberdeenshire	12	4	41	Remote small towns	1
Fife	11	5 (least deprived)	31	Accessible rural	36
Others	< 10 each			Remote rural	5

Footnotes

1) Quintile one consists of the 20% (1,301) most deprived data zones, quintile two the next 20% most deprived, and so on, using the 2012 Scottish Index of Multiple Deprivation.
2) 2011-2012 Urban Rural Classification.
