

Subject: Request for information regarding deaths where COVID-19 vaccines were mentioned on the death certificate broken down by sex and age.

FOI reference: 202100205042

Date received: 20 May 2022

Date responded: 11 June 2022

Information requested:

The Week 19 Report records that "there have been three deaths where the underlying cause of death was reported as being due to adverse effects of COVID-19 vaccines." Please provide further information on the ages of the deceased. I appreciate that there may be confidentiality issues in releasing the precise ages. Accordingly, I ask only that you release ages in terms of decades of life e.g. 40-49, 50-59 and so forth.

NRS Response:

Please see the accompanying table which includes a breakdown by sex and age group of deaths where ICD-10 code 'U12.9 - COVID-19 vaccines causing adverse effects in therapeutic use, unspecified' was mentioned on the death certificate.
