

Subject: Request for the Data Landscape cited in NRS Records Management Plan 2019

FOI reference: 202000106212

Date received: 2 November 2020

Date responded: 2 November 2020

Information requested:

“A copy of the Data Landscape that NRS cite as evidence in the Records Management Plan 2019, page 9, Item 056. For reference: <https://www.nrscotland.gov.uk/files/about-us/nrs-records-management-plan-may-2019.pdf>.”

NRS Response:

A copy of the Data Landscape is attached to this response. The document is a visual representation of the information assets captured in National Records of Scotland's (NRS) Information Asset Register. It was created in April 2019 to support an analysis of our business architecture. A more recent version of the Data Landscape has not been created.
