Thanks [Redacted]. I'm very happy to have a chat with you. I'm about to go on leave for the Easter holidays so how about later in April (I'm back to work on the 12th)?

Hi Lyndsay,

Thanks for your quick response! It would be regarding recent developments in the English & Welsh census in relation to LGBT inclusion.

Teams would be perfect - let me know your availability and I can pop a half hour Teams call in your diary.

Best wishes,

Hi [Redacted],

Hope you are well. The Comms team have forwarded your e-mail to me. Can you let me know what you'd like to discuss so I can find the most appropriate person for you to speak to? We are all still working from home so a Teams call would be best – do you have access to Teams?

Thanks,
Lyndsay

Good morning,

If possible, it would be great to have a quick phone call with a member of the team in the next couple of weeks about LGBT+ inclusion in the 2022 Census. Please do forward this on to the most appropriate contact.

Best wishes,
