

**Subject:** Number of deaths recorded at Castlebay Drive flats in Milton, Glasgow

**FOI reference:** FOI/18/00839

**Date received:** 19 March 2018

**Date responded:** 05 April 2018

**Information requested:**

Number of deaths recorded at Castlebay Drive flats in Milton, Glasgow from 1 January 2018 to 27 February 2018 along with the same figures for 2017, 2016 and 2015

**NRS Response:**

While our aim is to provide information whenever possible, in this instance National Records of Scotland does not have the information requested.

This is a formal notice under section 17(1) of FOISA that National Records of Scotland does not have the information requested.

NRS does not have the information requested because although place of death is recorded on death registrations, it would require extensive manual searching of records to identify all deaths at a particular address. As part of the processing of death information, geographies are assigned to the place of residence of the deceased so numbers of deaths can be provided for e.g. a health board, council area, parliamentary constituency, electoral ward, intermediate zone etc. This is only done for place of residence and not place of death so it is not possible to produce figures on this basis.
