Copy of a decree issued in 2014

**NRS Response:**

While our aim is to provide information whenever possible, in this instance National Records of Scotland does not have the information requested. This is because the records dating from 2014 are still held by the relevant court.

This is a formal notice under section 17(1) of FOISA that National Records of Scotland does not have the information requested.

We recommend that the person to whom the decree relates makes a subject access request to the data protection officer at the Scottish Courts and Tribunals Service:

Email: [dpo@scotcourts.gov.uk](mailto:dpo@scotcourts.gov.uk)

A data subject has a right of access to their own personal information under section 7 of the Data Protection Act 1998. If a Freedom of Information request is made then all that may potentially be provided is a heavily redacted version of the case file with all personal details of third parties removed.
