NRS Response:

The information requested is included in the attached PDF document and some information has been redacted. An exemption under section 38(1) of FOISA (personal information) applies to the information which has been redacted because it is personal data of a third party and disclosing it would contravene the General Data Protection Regulation and Data Protection Act 2018. This exemption is not subject to the 'public interest test', so we are not required to consider if the public interest in disclosing the information outweighs the public interest in applying the exemption.
