Information requested:

Request for copies of Court of Session record (CS258/42039).

NRS Response:

A sensitivity review has been undertaken on this material by the Scottish Courts and Tribunals Service. As a result of this, some information in the files has been redacted due to sensitivity issues.

An exemption under section 38(1)(b) of FOISA applies to this information because it is personal data of third parties and disclosing it would contravene the data protection principles in Article 5(1) of the General Data Protection Regulation and in section 34(1) of the Data Protection Act 2018. This exemption is not subject to the 'public interest test', so we are not required to consider if the public interest in disclosing the information outweighs the public interest in applying the exemption. The redacted information relates to the name of the child of the marriage, mentioned in the Petition. As we have not been able to find a death certificate for this individual, the name has been redacted.

The redacted copy of the information is available in digital form at the National Records of Scotland. This can be viewed in the Historical Search Room at General Register House, 2 Princes Street, Edinburgh, EH1 3YY. Further information is available on our website at: <https://www.nrscotland.gov.uk/research/visit-us/historical-search-room>.

Under section 25(1) of FOISA, we do not have to provide information if it is already reasonably accessible by inspection or copying, even if a payment has to be made for it.
