

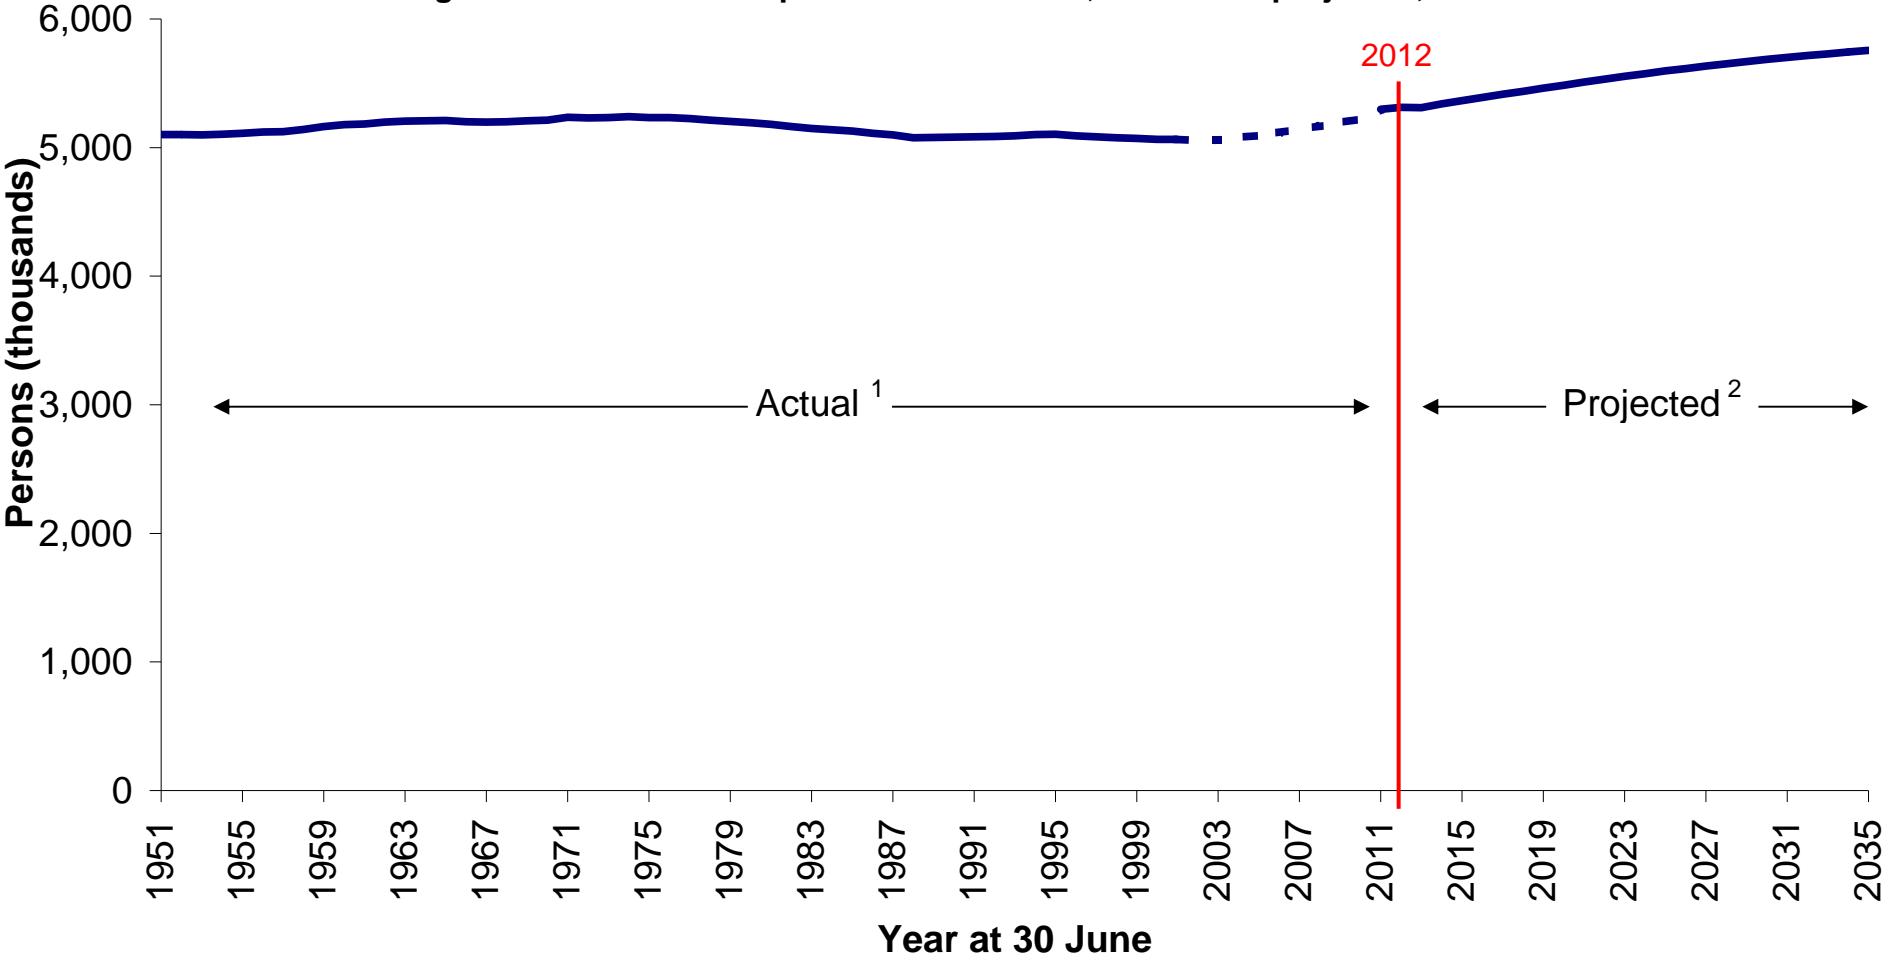

Figure 1.1: Estimated Population of Scotland, actual and projected, 1951-2035

Footnotes

- 1) The broken line (2002 to 2010) shows those years which will be rebased using the 2011 Census.
- 2) 2010-based projections. New projections based on 2012 estimates will be released in November 2013.
