

## Annual Review 2013 - Chapter 1 Population

### Table 1.1: Components of population change for Council areas: Mid-2012 to Mid-2013

|                                  | Natural change <sup>1</sup> | Net civilian migration and other changes <sup>1</sup> | Percentage population change |
|----------------------------------|-----------------------------|---|------------------------------|
| <b>SCOTLAND</b>                  | <b>0.02</b>                 | <b>0.2</b>  | <b>0.3</b>                   |
| <b>Council areas<sup>2</sup></b> |                             |   |                              |
| Moray                            | 0.0                         | 1.5   | 1.5                          |
| Argyll & Bute                    | -0.4                        | 1.7   | 1.3                          |
| Edinburgh, City of               | 0.3                         | 0.8   | 1.0                          |
| Aberdeen City                    | 0.2                         | 0.8   | 1.0                          |
| Aberdeenshire                    | 0.2                         | 0.7   | 0.9                          |
| Midlothian                       | 0.2                         | 0.3   | 0.5                          |
| East Renfrewshire                | -0.1                        | 0.6   | 0.5                          |
| East Lothian                     | 0.0                         | 0.5   | 0.5                          |
| Stirling                         | -0.1                        | 0.3   | 0.3                          |
| Dundee City                      | 0.0                         | 0.3   | 0.3                          |
| Glasgow City                     | 0.2                         | 0.1   | 0.2                          |
| Falkirk                          | 0.0                         | 0.2   | 0.2                          |
| Fife                             | 0.0                         | 0.2   | 0.2                          |
| Orkney Islands                   | -0.2                        | 0.4   | 0.2                          |
| South Lanarkshire                | 0.0                         | 0.2   | 0.2                          |
| Scottish Borders                 | -0.1                        | 0.3   | 0.1                          |
| West Lothian                     | 0.3                         | -0.3  | 0.1                          |
| Angus                            | -0.1                        | 0.2   | 0.0                          |
| Highland                         | -0.1                        | 0.1   | 0.0                          |
| Perth & Kinross                  | -0.2                        | 0.2   | 0.0                          |
| Clackmannanshire                 | 0.1                         | -0.1  | 0.0                          |
| East Dunbartonshire              | -0.1                        | 0.1   | 0.0                          |
| North Lanarkshire                | 0.1                         | -0.1  | 0.0                          |
| Shetland Islands                 | 0.3                         | -0.4  | 0.0                          |
| South Ayrshire                   | -0.4                        | 0.3   | -0.1                         |
| East Ayrshire                    | -0.1                        | -0.2  | -0.2                         |
| Renfrewshire                     | 0.0                         | -0.2  | -0.2                         |
| Dumfries & Galloway              | -0.4                        | 0.0   | -0.4                         |
| Inverclyde                       | -0.2                        | -0.2  | -0.5                         |
| North Ayrshire                   | -0.2                        | -0.2  | -0.5                         |
| Eilean Siar                      | -0.5                        | 0.0   | -0.6                         |
| West Dunbartonshire              | -0.1                        | -0.5  | -0.6                         |

#### Footnotes

1) Change per 100 population at mid-2012. The underlying data used to produce these figures can be found in Table 4 of the 'Mid-2013 Population Estimates Scotland' publication.

2) Ordered by population change.
