Cultural	14925	2001 Census tables T25, S235 and S203	Scotland and Council areas
Cultural	14926	2001 Census tables S203, S235, 236, 237, 238, 240, 241, 242, 243, 244, 245, 246 and 247	Scotland and Council areas
Cultural	14988	2001 Census tables S235, S247, S237, S203, KS07, T25 and T26	Scotland and Council areas
Labour Market, NS – SEC, Qualifications and Travel to work or study	15071	Using the method by Carstairs & Morris which uses 4 variables to calculate deprivation scores and the following data by Census Statistics Area Postcode Sectors to calculate each variable:	Scotland, Council, CAS Sectors
		Unemployment: Number of unemployed male residents over 16	
		Number of all economically active male residents over 16	
		Overcrowding: Number of persons in households with 1 or more persons per room	
		Number of all persons in households	
		Non Car Ownership: Number of persons in households with no car	
		Number of all persons in households	
		Social Class/ NS-SEC: Number of persons in household with an economically active head of household in all Operational Categories of the NE-SEC (will require to 1dp)	
		Number of all persons in households	
Accommodation	15073	Number of cars by number of rooms by accommodation type	CAS Wards in Aberdeen City
Labour Market, NS – SEC, Qualifications and Travel to work or study	15074	Files at ward level with the following variables:	Each city and LUZ
		Employment (jobs) in sectors (A-B)	
		Employment (jobs) in sectors (C-E)	
		Employment (jobs) in sector F	
		Employment (jobs) in sectors (G-H)	
		Employment (jobs) in sector I	
		Employment (jobs) in sectors (J-K)	
		Employment (jobs) in sectors (L-Q)	
		Employment (job) in sectors C-F	
		Employment (job) in sectors G –P	
		Employment (job) – only employees	
		Employment (job) – only self employed	
Miscellaneous	15075	The Univariate, CAS, CAST and Key Statistics Tables.	Scottish LEC areas

Category	ID Number	Description	Geography
Demographic	15076	Four tables containing Census data on 1996 ward boundaries:	1996 Ward Boundaries
		Population by 5 year age and sex	
		Working age by sex	
		Pensionable age by sex	
		1996 ward/council name lookup file	
Demographic	15077	Table showing Population of Scotland from 2001 Census split by CAS Sector, age & sex by marital status with age split as follows: 0-1, 1-4, 5-9, 10-14 etc in 5 year bands up to 90+.	Scotland, Council Areas and CAS Sector level
Demographic	15078	2001 Census Population count	Inhabited Islands
Cultural	15079	Produce a separate CD for each Church of Scotland region in total 46 individual CDs:	As provided by customer. Church of Scotland Presbyteries and Parishes.
		(1) Produce separate files for 2 of our regions and create 2 CDs from that.	
		(2) Produce a combined file for both these regions to create one for the whole country, nested by region.	
Demographic	15104	Referring to tables CAS033, CAS204 and CAS066 (Reference Volume – Scotland's Census 2001) with born in Scotland and born in England added.	Standard sectors within East Dunbartonshire, Fife, Stirling and all in Edinburgh
Cultural	15125	Table on sex and ethnicity, number of households, sex and age by SHS Urban Rural.	SHS Urban Rural
Accommodation	15126	Various data on sex, HRP and age grouping for 2001 and 1991 data by each of the 8 Council areas belonging to the Glasgow and Clyde Valley Structure Plan area.	8 Council area within Glasgow and Clyde Valley Structure Plan area and all Council areas in Scotland
Labour Market, NS – SEC, Qualifications and Travel to work or study	15127	2 occupation tables containing Industry and the other Qualifications.	Scotland
Demographic	15128	Population of Scotland from 2001 census split by CAS Sector, age & sex.	Scotland, Council, CAS Sectors
		With age split as follows: 0-1, 1-4, 5-9, 10-14 etc in 5-year bands. Output format for us would be a table with one line per CAS Sector.	
Cultural	15129	Tables on ethnicity by tenure.	Aberdeen City, Aberdeenshire and Moray

Category	ID Number	Description	Geography
Cultural	15146	In table KS06 (Reference Volume – Scotland’s Census 2001) the groupings do not match those in the England & Wales census tables. In the England and Wales KS06 there are four categories of People in ethnic groups: Mixed, namely:	Scotland and Council areas.
		White and Black Caribbean	
		White and Black African	
		White and Asian	
		Other Mixed	
		Could the Scottish table be broken down along similar lines.	
Cultural	15147	Two requests:	Scotland and Settlements
		1) 50 tables covering Analysis across the Equalities Dimension, using several variables including sex, age, ethnic group and religion. 2) 6 tables covering Analysis across the Equalities Dimension, using several variables including age, economic activity, ethnic group and distance travelled.	
Cultural	15149	Commission output on current religion and religion of upbringing.	Scotland
Cultural	15152	Population counts by Output Area, by sex and marital status.	Output area
		With age split as following: 16-24, 25-34, 35-44, 45-54, 55-64, 65-74, 75+	
		With Marital status split between married and single and where: married, remarried and separated are taken as married and single, divorced, widowed are taken as single.	
		Output format of one line per Output Area.	
Miscellaneous	15177	Profile data on our 65 Output Areas.	65 Output Areas as specified by customer
Labour Market, NS – SEC, Qualifications and Travel to work or study	15208	Commissioned output on Population, Car Ownership, Overcrowding, Male Unemployment, and Social class to be used for calculating deprivation at Standard sector level.	Scotland, Council, Standard Sector level
Labour Market, NS – SEC, Qualifications and Travel to work or study	15236	Replication of CAS032 for the working age group (men 16-64 and woman 16-59) and a combined total for both. This for each of the LEC’s across Scotland.	LECs
Cultural	15325	Commissioned output on country of birth for EU and EU accession countries.	Scotland

Category	ID Number	Description	Geography
Health	15352	Limiting Long Term Illness data (several age groups)	Council areas
		Living alone data (several age groups)	
Cultural	15363	3 tables by gender, age group and by as small geographical units as possible.	Scotland, Council area level
		Country of birth and religion in Scotland	
		Country of birth by ethnicity (full breakdown of the white category)	
		Ethnicity by religion	
Cultural	15364	14 tables showing ethnic group classifications with particular attention to Africans by working age, under 16, students, country of birth, migrants, married/cohabiting, general health, hours worked, qualifications, NS-SeC and lone parents.	Scotland and Health Boards
Accommodation	15393	Data and Analysis for household projections for 1991 and 2001 to be defined on a consistent basis. Require:	Local Authority area
		Students to be counted at their term address	
		A household reference person to be identified for the 1991 Census	
		Dependent children and adults to be defined for the 1991 Census using the 2001 Census definition of dependent child	
Demographic	15394	Data on the characteristics of mothers of children who attended each school.	Postcode of School
Health	15395	Revised age grouping for S238.	Scotland and Council areas
		Figures of those between 16-74 with a disability or long term illness.	
Cultural	15397	Table containing counts on what people entered for 'another religion' in Question 13 regarding current religion and Question 14 regarding religion of upbringing.	Scotland
Accommodation	15398	Household and Communal establishments residents by various age groups	Scotland & LAs
Demographic	15399	2 Commissioned table Settlement Patterns (within Local Authorities)	Settlement Pattern (within Local Authorities)
Accommodation	15400	Univariate Table 28 by gender and a table showing economic activity	Falkirk Council, Falkirk Ward and Falkirk OAs
Cultural	15401	Number of born in Greenland and born in Sri Lanka in the 2001 Scotland Census broken down by sex and age by 3 groups: 0-15, 16 to pensionable age (60 for woman and 65 for men) and pensionable age and over.	Scotland
Cultural	15505	Tables containing cross-tabulations of ethnicity and economic activity, SHS household classification by council areas, deprivation quintiles 1-5 (recode of wards).	Council areas, deprivation quintiles 1-5 (recode of wards)
