

Population And Migration Statistics (PAMS) Committee (Scotland)

Statistical Information Services – Update for PAMS

Introduction

1. The purpose of this paper is to inform members of the Population and Migration Statistics (PAMS) committee about recent developments in the Statistical Information Services branch at the National Records of Scotland (NRS). It gives an update on progress since the last meeting of the committee (9 October 2013) as well as an outline of future plans.

Progress since last meeting

2. The following publications have been published since last meeting (including Census):
