2013	526	393	133	32	137	184	125	48	32	40	47
2009-2013 average	544	403	141	54	166	188	98	38

Footnote

1) For 2001, 2003 and 2006, there are differences of one or two between the overall total for the year and the sum of the figures for the individual age-groups. This is due to the use of a new database - further information can be found in Annex A, paragraph A4.
