Footnotes

- 1) The reference date for 2014 is 10th March. For 2000 and 2001 it was 16th February. For other years, the reference date was 1st December.
- 2) Attainers are those who will reach the age of 18, during the currency of the Register. The 'Total electorate' figures in this table include these attainers.
- 3) Since 2002 voluntary patients are no longer counted separately and are now included in the main body of the electorate.
- 4) The total figures for the European Parliamentary electorate were revised in September 2008. Previously published tables did not include Overseas electors in this total.
