

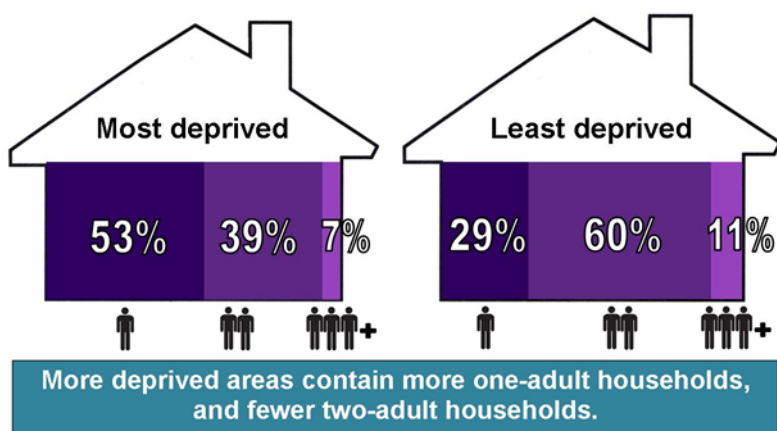

Figure 4: Estimates of the percentage of households by household type by level of deprivation, Scotland, in 2012<sup>1</sup>

Source: Scottish Household Survey, 2012, and Scottish Index of Multiple Deprivation (SIMD), 2012.

**Footnote**

1) These figures refer to the 10% most and least deprived areas, according to the Scottish Index of Multiple Deprivation (SIMD), as recorded in the Scottish Household Survey ([Section 4.8](#)) of the publication [Estimates of Households and Dwellings 2013](#) on the National Records of Scotland website).
