

Annex B : Details of the data zones that have been used to calculate the household projections for SDP areas

Data zones in Aberdeenshire that are also in Cairngorms National Park, and so are excluded from the projections for the Aberdeen City & Shire SDP area											
S01000301											
S01000303											
S01000312											
S01000316											
S01000360											
Data zones in West Dunbartonshire that are also in Loch Lomond and the Trossachs National Park, and so are excluded from the projections for the Glasgow & Clyde Valley SDP area											
S01006292											
S01006293											
S01006294											
Data zones in Fife that are part of TAYplan SDP area for the purpose of the projections
