Footnotes

1) For this establishment type data from two of more sources are combined to estimate the age/gender breakdown of residents in each local authority, as no comprehensive source was available.

2) ISD - Information Services Division of NHS Scotland

3) DASA - Defence Analytical Services and Advice

4) HESA - Higher Education Statistics Agency

5) Further information on the communal establishment data collection and the uses of this data can be found in the methodology section of the 2010-based household projections for Scotland.
