

**Table 2****Increased winter mortality, Scotland, 1951/52 - 2006/07**

<b>Year</b>	<b>Number</b>
1951/52	5,240
1952/53	5,890
1953/54	4,770
1954/55	5,820
1955/56	6,450
1956/57	2,770
1957/58	4,460
1958/59	9,170
1959/60	4,090
1960/61	5,340
1961/62	5,090
1962/63	7,110
1963/64	3,710
1964/65	4,210
1965/66	6,350
1966/67	2,020
1967/68	5,600
1968/69	4,800
1969/70	7,040
1970/71	2,710
1971/72	4,970
1972/73	4,080
1973/74	2,810
1974/75	3,460
1975/76	6,440
1976/77	3,530
1977/78	4,850
1978/79	4,190
1979/80	2,670
1980/81	3,770
1981/82	6,300
1982/83	4,570
1983/84	2,790
1984/85	3,130
1985/86	4,710
1986/87	3,240
1987/88	2,590
1988/89	2,160
1989/90	5,460
1990/91	2,430
1991/92	2,890
1992/93	2,740
1993/94	2,590
1994/95	2,310
1995/96	3,650
1996/97	3,640
1997/98	2,610
1998/99	4,750
1999/00	5,190
2000/01	2,220
2001/02	1,840
2002/03	2,510
2003/04	2,840
2004/05	2,760
2005/06	1,780
2006/07	2,750

Note - data for 2006/07 are provisional.
