Footnotes

- 1) The figures are taken from graduated life tables prepared by the Government Actuary.
 - 2) These figures have been extracted from complete ungraduated annual life tables prepared by the Government Actuary's Department up to 1999-2001 and by the Office for National Statistics thereafter.
 - 3) These figures were revised to take account of the mid-year population estimates for 2002-2010 that were revised in the light of the 2011 Census results.
 - 4) The figures for 2013-2015 and 2014-2016 are calculated using corrected mid-year population estimates for 2013 and 2014.
- More information about the errors in the population estimates and corrected tables can be found on the NRS website
