

## Trends for top ten names in 2015 in Scotland

These pages provide charts showing the popularity of the top ten babies' first forenames\* in 2015 since 1974.

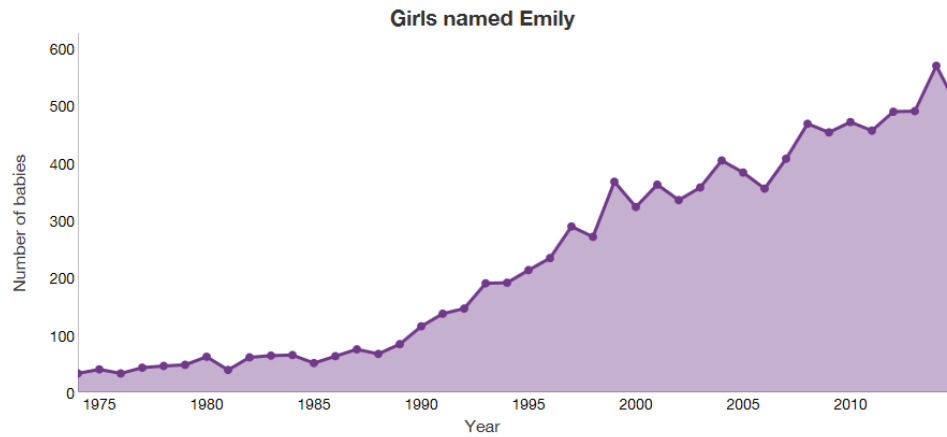

The popularity of every name registered in Scotland since 1974 can be checked with the new [interactive visualisation](#).

More information can be found in the [Babies' First Names](#) publications on the National Records of Scotland website.

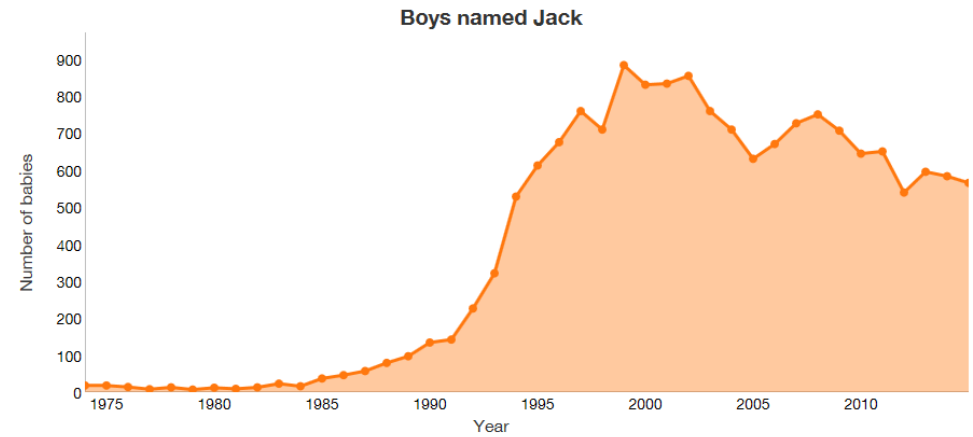

\* Statistics are based on the first forename only. Hyphenated names are included. For example, a child named Anne-Marie will appear as Anne-Marie but a child named Anne Marie will appear as Anne.
