2003	25,526	142 (122)	198 (178)	80	39	119

<sup>1</sup> The Still-Birth (Definition) Act 1992 re-defined stillbirths, from 1 October 1992, to include losses between 24 and 27 weeks gestation. This table includes all stillbirths registered during the year. The figures in brackets show those stillbirths with a gestation period of 28 weeks and over.
