Aberdeenshire	12	4	45	Remote small towns	2
Others	<10 each	5 (least deprived)	33	Accessible rural	37
				Remote rural	4

Footnotes

1) Quintile one consists of the 20 per cent (1,301) most deprived data zones, quintile two the next 20 per cent most deprived, and so on, using the 2012 Scottish Index of Multiple Deprivation.

2) 2013-2014 Urban Rural Classification.
