

Table 8: Projected population change for selected variant projections (2012-based), Scotland, 2012-2037

	('000s)			
	High migration variant	Principal projection	Low migration variant	Natural change only variant
Population at mid-2012	5,314	5,314	5,314	5,314
Population change (2013-2037)				
Natural change	129	87	44	-44
Births	1,529	1,480	1,431	1,347
Deaths	1,400	1,393	1,387	1,390
Migration	567	380	193	0
Population at mid-2037	6,010	5,780	5,551	5,270
Total population change between mid-2012 and mid-2037	696	467	237	-44
