Then between 2019 and 2020, it will rise from 65 years to 66 years for both men and women. A further rise in state pension age to 67 will take place between 2026 and 2028. Between 2044 and 2046, state pension age will increase from 67 to 68. The UK Government plan to review state pension age every five years in line with life expectancy and other factors.
