

Table E: Components of projected population change for National Park areas, 2014 to 2039

Area	Projected		
	Natural change (per thousand people)	Net migration (per thousand people)	Population change (percentage)
Cairngorms National Park	-71.8	52.8	-3.5
Loch Lomond and The Trossachs National Park	-113.9	39.2	-9.3

Notes

Projected natural change and net migration are not the only components of change. Other changes that are not included in this table include changes in armed forces and prisoner populations and changes due to constraining to the National Population Projections for Scotland.
