

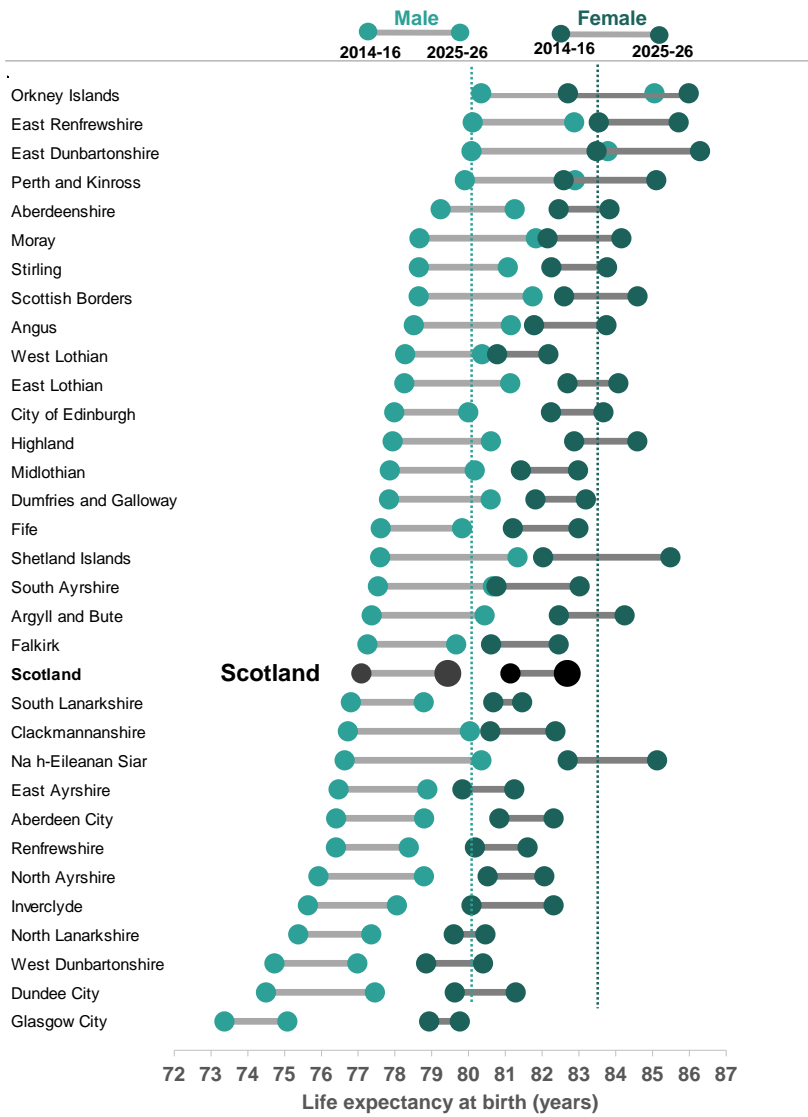

Figure 5: Estimated¹ and projected² life expectancy at birth for council areas, males and females, 2014-16 and 2025-26

Footnotes

- 1) Estimated life expectancy for each area is a 3 year average covering the period 2014-2016.
- 2) Projected life expectancy is calculated for a single year from mid-2025 to mid-2026.
