

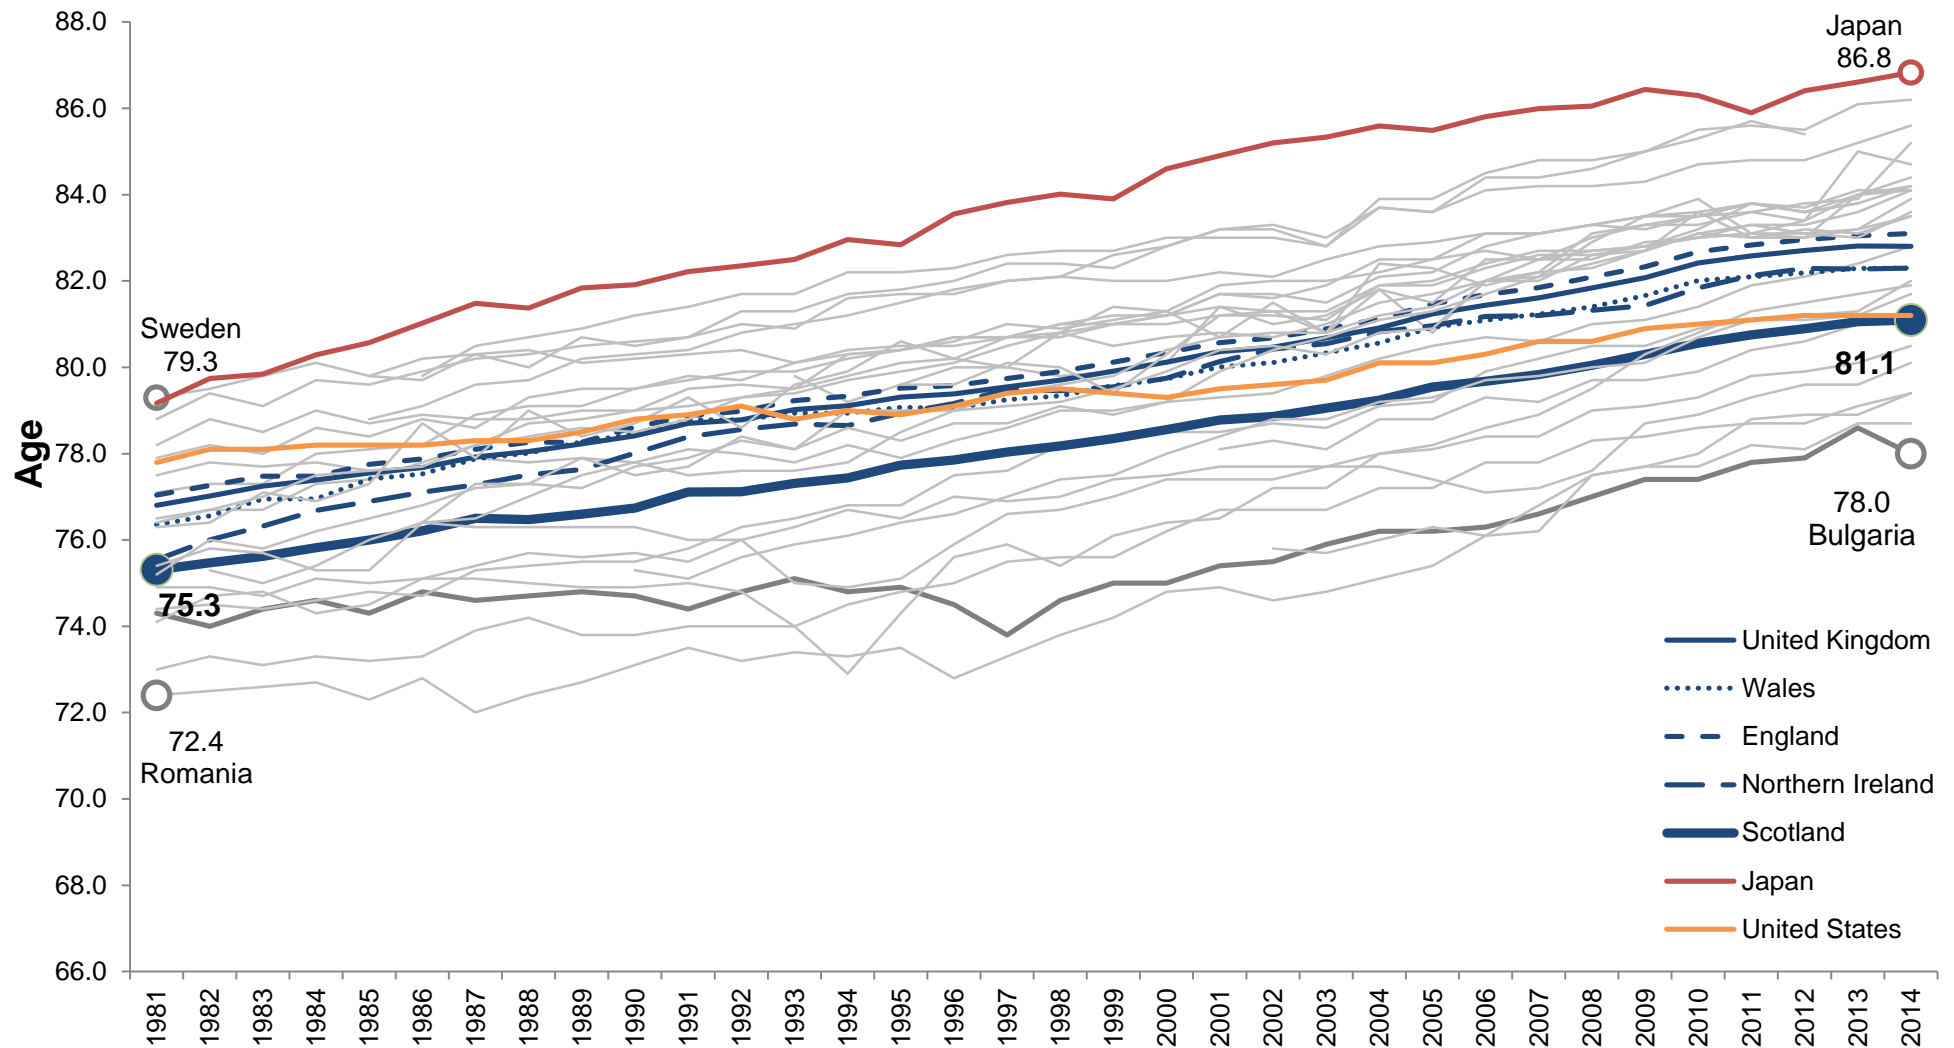

**Figure 4.2b: Female Life Expectancy at Birth<sup>1</sup> in European Union countries with further international comparisons to Japan and the United States, 1981 to 2014**

**Footnotes**

1) Figures are based on three years of data. For example, the 2014 figure uses data for 2013-2015.

Source: Office for National Statistics, Eurostat (tps00025) and World Bank Data Bank.

Note: The scale differs from the corresponding male figure.
