

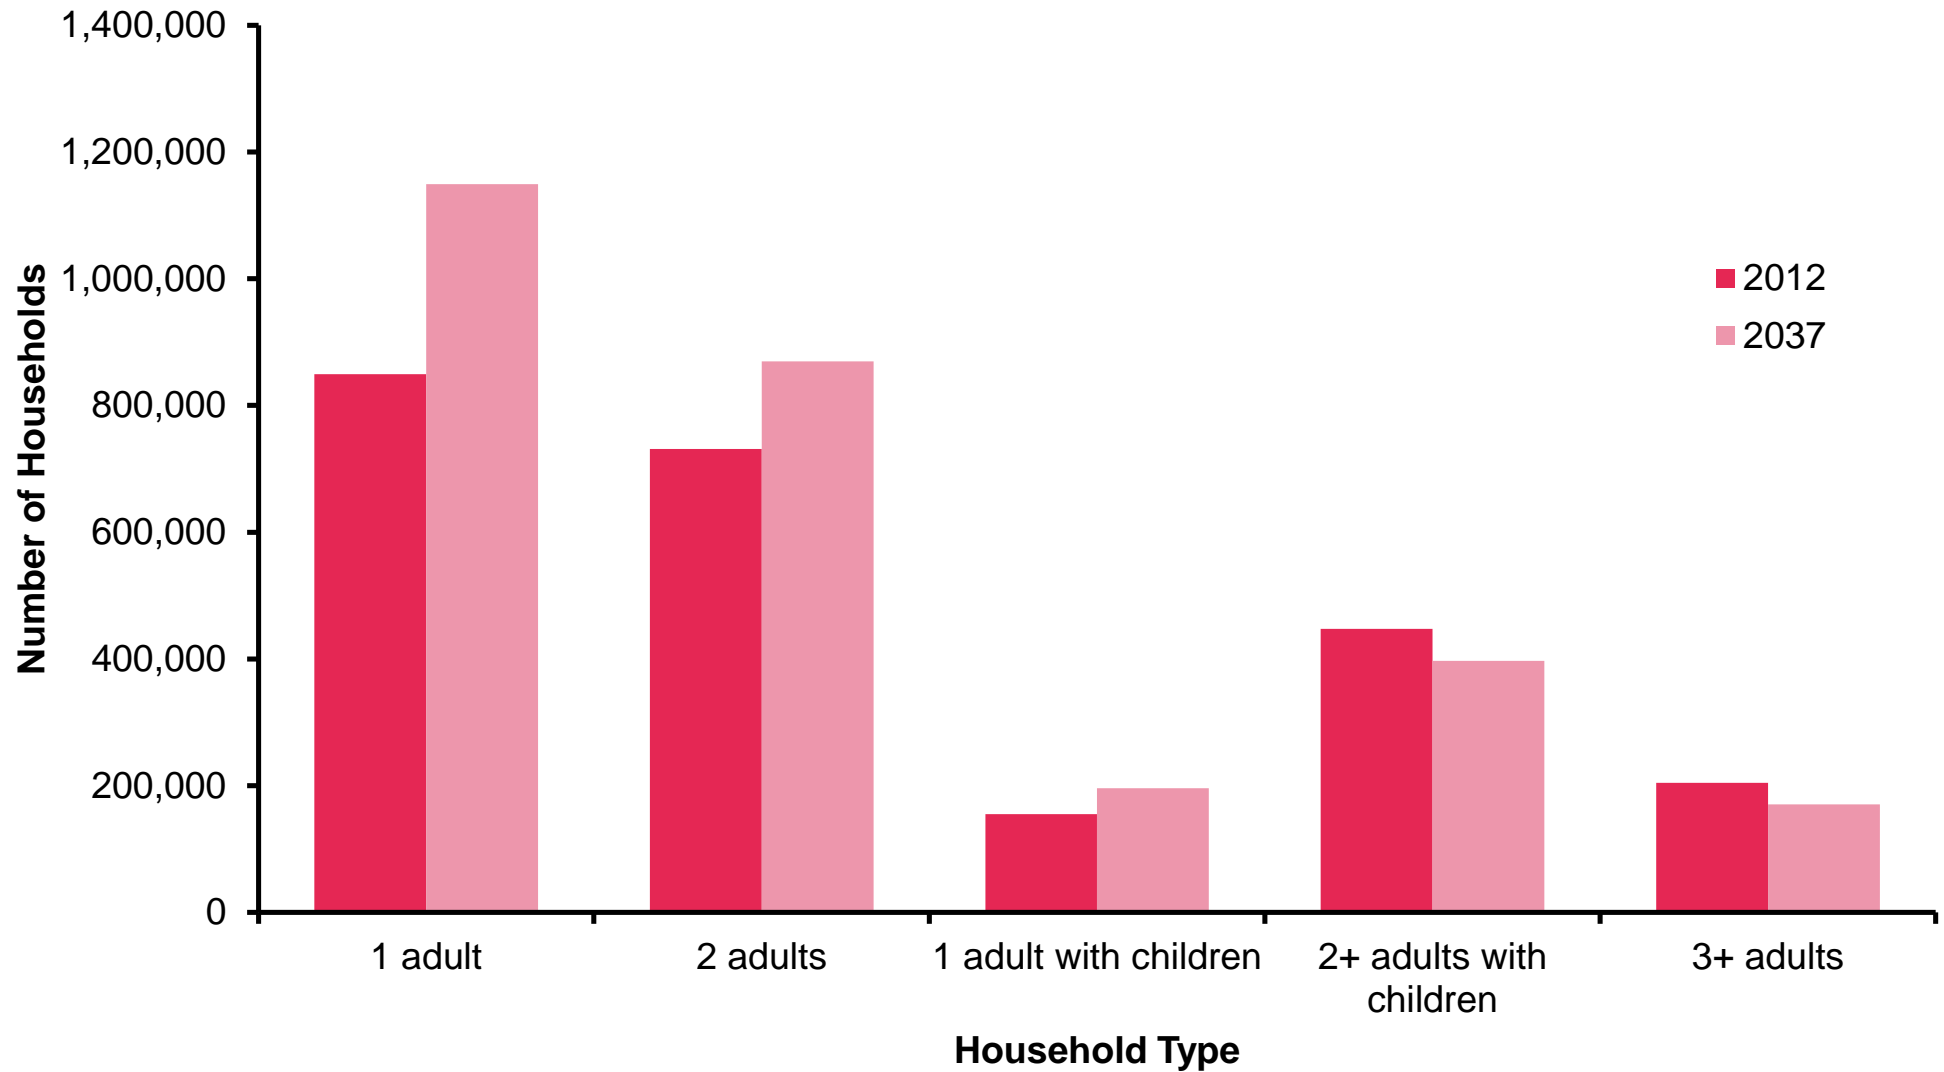

**Figure 8.3: Households in Scotland by household type: 2012 <sup>1</sup> and 2037**

**Footnote**

1) 2012 is the first year of the latest household projections. The total number of households in this year is based on household estimates using Council Tax data for 2012, however the number of households in each household type are based on projections of 1991, 2001 and 2011 Census data.
