

DESIGNING
WITH
DATA

Changing lives with data

This event is part of Designing with Data, a series of Data Festival 2017 Fringe events

#DataFest17

Chair: Esther Roughsedge, NRS

National Records of Scotland

National Records of Scotland (NRS) is a non-ministerial department of the Scottish Government. Our purpose is to collect, preserve and produce information about Scotland's people and history and make it available to inform current and future generations.

Agenda

- 1.00pm Introduction to the event - Esther Roughsedge
Introduction to the Data Lab – Dave Fitch
- 1.10pm Overview of data available from government sources –
Amy Wilson
- 1.40pm Innovative things people have done with government data
