Footnotes:

- 1 One year ago is one year before the Census (29 April 2001).*
- 2 A wholly moving household is one where all members of the household have moved from the same address. A partly moving household is where one or more members of the Census day household have moved in the last year but not all members have moved from the same address.*
- 3 In 'Migration': Inflow is not an exact count of people moving into an area as it does not include people who had no usual address one year ago who did not live within the area. Outflow is not a count of all people moving out of the area as it does not include people who have moved outside the UK.*
- 4 In Scotland 'associated area' refers to the Council Area for tables at Ward, Postcode Sector or Output Area level. For all other geographical areas the 'associated area' is Scotland.*
- 5 Partly moving households include households where no household member had a usual address one year ago.*
