Footnotes

1) More information can be found in Notes and Definitions, available in the Vital Events Reference Tables section of the National Records of Scotland (NRS) website.

2) Includes age Not Stated.

3) There are some minor discrepancies between the totals for 1975 and 1978 given in this table (which were produced from NRS's database in summer 2012) and those appearing in Table 1.1(b), which were extracted many years earlier.
