Footnotes

1) Croatia joined the EU on 1st July 2013. For simplicity, Croatia has been counted under 'Other European Union' in this table regardless of when the birth was registered. Therefore, the figures for 'Other European Union' will include people from Croatia who were involved in events that were registered between January and June 2013.

2) The statistics for each Health Board's area are based on the Board boundaries that apply with effect from 1st April 2014.
